Spot The Squirrel

Take a walk to a local park and write down all of the different types of squirrels that you see. Then when you get home, look up the different types of squirrels that live in your city and where they are native to. Your city might have more squirrels than you think!

Nutty Buddies

Build a squirrel feeder in your backyard and pack it full cereal, peanuts, and peanut butter.

Choose Your Own Adventure

Create a comic featuring your very own squirrel superhero and all their funny adventures!

Squirrely Sounds

Listen to local squirrels and their sounds; learn more about the different sounds by visiting [here](#). Then, encourage your family to make their own sounds and speak to them!
